

Brushless Cordless Screwdriver 20V

V10310

- Intelligent hexagon chuck for easy bit changing
- High performance, long life and fast charging 2.0Ah Lithium battery
- High torque setting system with huge 230 N·M torque enables efficient and accurate screwing and reduces fastener damage
- 20V Powerful brushless motor for the best performance in screwing
- High-resistant waterproof motor allows working in wet situations
- Ergonomic compact handy structure that weighs only 0.97kg(bare machine weight) and perfectly suitable for work in confined spaces
- No kick back thanks to tangential impact system
- Anti-shock soft grip ergonomic handle for perfect machine control
- Efficient in hard-to-reach and dark places thanks to the best LED worklight
- High resistance, anti-shock body designed with rubber grip removes the risk of damage in case of falling or any kind of stroke
- Battery charging indicator lets you know the battery level fast and easy
- Fast charging system in charger provides optimum performances in tight working situations

Model	V10310
Battery Chemistry	Lithium-ion
Chuck Type	Hex socket
Chuck Size	6.35mm 0.25inch
Battery Voltage	20V
Battery Capacity	2000mAh
No-Load Speed	0-3300RPM
Max Torque	230N·m
Weight(with 1pc battery pack)	1.38kg
Packaging	BMC

Brushless Cordless Screwdriver 20V

V10310

Includes

2pcs battery packs, 1pc charger,
3pcs Hex shank twist
drill (φ3.2mm/4.2mm/5.2mm), 2
pcs heel block
