

Electric Polisher 1200W-180mm

V24002

- High efficiency, robust 1200W motor secures maximum productivity and top performance in different functions
- Variable speed setting from 600-3500/min no-load speed enables working at customized speeds to adapt to various materials and applications
- Perfect for finishing, compounding, waxing, polishing, shining, and deoxidizing
- Anti-dust ball bearings, which ensure the durability of the motor and make it work more smoothly and more efficiently
- Anti-heat gearbox cover facilitates polishing operations and enables a safe, convenient grip with optimal guidance
Ergonomic D-shape auxiliary handle reduces operational fatigue and promotes perfect machine control
- Superior rubber cable for more durability and higher efficiency
- A high-quality wool polish pad suitable for different kinds of applications

Model	V24002
Power	1200W
Voltage	220-240V~
Frequency	50-60Hz
No-Load Speed	600-3500/min
Wheel Diameter	Φ180mm
Net weight	3.35kg
Gross weight	4.2kg
Packaging	Color Box
Accessories	Hex Wrench 1pc, Loop Handle 1pc, Bolt 2pcs, Wool Bonnet 1pc, Washer 2pcs
