

Gasoline Chainsaw 1900W-45cm

V51010

- Equipped with a 49.3cm³, 2-cycle engine delivering 1.9kW of high-performance output for demanding cutting tasks
- Features an improved ignition system and a smart start mechanism to ensure faster, easier, and more reliable starting with minimal effort
- The advanced exhaust and clutch systems work together to minimize fuel consumption, reduce emissions, and boost overall efficiency
- An automatic lubrication mechanism ensures smooth chain movement and reduces friction for cleaner cuts
- An integrated anti-vibration system significantly decreases operator fatigue, even during extended operation periods
- A specially designed safety brake enhances protection during cutting activities by rapidly stopping the chain in critical moments

FASTSTART

2STROKE

Model	V51010
Power Source	Gasoline
Max Engine Power	1.9kW 2.55HP
Max Speed with Cutting Attachment	8500/min
Max Engine Speed	10300/min
Fuel Capacity	0.55L
Engine Displacement	49.3cm ³
Oil Tank Capacity	0.26L
Carburetor	Diaphragm Type
Oil Gasoline Mixing	25:1
Ignition System	C.D.I with automatic timing advance
Guide Bar Length	18inch
Cutting Capacity	45cm

Gasoline Chainsaw 1900W-45cm

V51010

Idling Speed Range	3000±300/min
Oil Feeding System	Mechanical plunger pump with adjuster
Guide Bar Type	Sprocket nose
Weight	7kg
Packaging	Color Box
Accessories	Chainsaw, Guide bar, Guide bar sleeve, Fuel mixing bottle, Tool kit bag (screwdriver, rasper, spark plug, wrench*2, spark plug sleeve, screw*2), Manual
